Quote from an email on 15 May 2007 from Marion Stewart, C of S deacon in Aberdeen:

"This time last year I knew nothing about BA.....It is a 'life changing' experience !!!!"

Quote from Rachel Potter, missionary in Guatemala, October 2007:

'At the moment we are using BA in our own Sunday school at church and also on a Tuesday morning in a village away out 'in the sticks' called 'El Rejon'. We have only made two visits there so far but about 90 children attending.

We are excited that we have been given permission to enter the public school in Santiago, near where I live, in the new school year which starts in Jan.

Also we are planning to use BA for are Holiday Bible club, the second week of Jan, also in Santiago.'
