

Could you be a Presbytery Safeguarding Trainer?

The Presbytery is looking for people willing to deliver Safeguarding training to volunteers and Kirk Sessions within our churches.

We are looking for people who have excellent interpersonal skills who can confidently deliver training using materials and resources provided by the Safeguarding Office.

Ideally we would like to have a team of 4 to 6 people who would carry out the training in Edinburgh, each delivering no more than two training sessions a month.

This can be on-line or in person training sessions.

If you would like further details or think you may be interested in becoming a trainer please contact Grace Mackay, Presbytery Administrator
